

- No freefly, relative, wingsuit, formation or camera jumps etc. without proof of proper qualification.
- Under canopy always watch the airspace around and the landing area for other jumpers, especially tandems and students.
- Never land in the parking lot or camping ground.
- Last turn prior to landing left if at all possible.
- No hook turns!
- Avoid crossing the runway. If unavoidable, do it with maximum care and as speedy and safely possible.
- On outside landings try to avoid destroying crop or doing other damage.
- Smoking is prohibited everywhere except in the guest's area.
- No food or drink in the packing area.
- AAD is mandatory.
- Licensed skydivers, who use a parachute system packed by any other person are still fully liable for any damage resulting from any failure of this system.
- Licensed skydivers, who cannot provide proof of a minimum of 12 jumps in the last 12 months need to report to the Operations Manager before jumping, as their license is temporarily invalid.
- Everybody who violates rules and regulations and/or shows behavior that creates a potential danger to others will be excluded temporarily or permanently from jumping.
- Absolutely no intoxication by alcohol or other drugs and substances 12 hours before jumping and while jumping.

**6. Videos and Photos**

I acknowledge and accept that photo and video recordings are regularly taking place on the premises and that my picture might be taken. These recordings might be used for advertising and other purposes by GoJump GmbH with my explicit consent. I further acknowledge that third parties such as journalists and other GoJump GmbH customers regularly take pictures and video recordings in which I might be shown and/or heard and which might be published on any media including the internet.

I acknowledge that GoJump GmbH can enforce my potential rights that I have asserted against such publications only in the case of recordings made by their own staff. GoJump GmbH cannot be held responsible for the publication of third-party recording.

**7. Special Anti-Corona virus regulations**

All sports jumpers have to follow the rules detailed in the hygiene regulations valid on the day of jumping.

**8. Written consent as per General Data Protection Regulation ("GDPR")**

All personal data relevant for participation in our skydiving operation, especially name, contact data, license number, technical data, proof of insurance, number of jumps and emergency contacts, are filed due to German federal law requirements. Nevertheless, publication of names and other personal data on websites or other media is allowed only with explicit consent of the individual.

GoJump GmbH entertains a number of representations on the internet, such as websites and accounts on social networks. In spite the fact that no images will be published without seeking prior consent of persons showing in the images and that ample precautions have been put in effect to ensure proper data protection. Nevertheless, regarding any data published on the internet comprehensive data protection cannot be guaranteed. Therefore, every participant in skydiving activities at GoJump GmbH acknowledges and accepts the fact that:

- Personal data may be retrievable in countries that do not have data privacy legislation comparable to that of Germany.
- Safety, integrity, authenticity and availability of personal data is not guaranteed.

The participant gives his/her consent to the publication of personal data. The consent can be withdrawn at any time.

- I agree,**                       **I do NOT agree,**

that GoJump GmbH uses pictures and/or video material in which I appear for public relation and marketing purposes on the world wide web ([www.GoJump.de](http://www.GoJump.de)) or elsewhere.

**Please note:** Participation in any sports activity is not possible without consent to the above.

- I am not a member of the DFV but want to support skydiving at no additional cost and without further obligation ...**
- I already am a member of the DFV OR I do NOT want to support skydiving even though there is no cost or obligation involved...**

by letting the GoJump GmbH donate € 2.00 out of their sales margin to the Deutscher Fallschirmsportverband e.V. (DFV) in my name.

In order to achieve the above I declare myself to be a supporting member of the DFV for the duration of 12 months and instruct GoJump GmbH to forward my support payment of € 2.00 to the DFV. My support membership automatically ends after 12 months and triggers no obligations for me at all.
